AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-16 (*Canceled*)

17. (*currently amended*) A perfumed detergent tablet, the tablet comprising a clay mineral compound, a heavy metal ion sequestrant from 0.5% to 5% by weight of the tablet and a perfume composition that is substantially free of Schiff base and wherein said tablet further comprises a coating.

18. (*cancel*)

19. (*currently amended*) A tablet according to Claim ~~18~~ 17, wherein the clay mineral compound is present in the coating as particles that have a size below 75µm diameter.

20. (*previously presented*) A tablet according to Claim 17, wherein the tablet is a softening tablet.

21. (*currently amended*) A tablet according to Claim ~~18~~ 17, wherein the coating comprises an organic phosphonate heavy metal ion sequestrant.

22. (*cancel*)

23. (*previously presented*) A tablet according to Claim 17, wherein the perfume composition is free of perfume ingredient mixtures selected from the group consisting of Methyl Anthranilate and HydroxyCitronellal; Methyl Anthranilate and Methyl Nonyl Acetaldehyde; Methyl Anthranilate and PT Bucinal; Methyl anthranilate and Lyril; Methyl Anthranilate and Ligustral; and mixtures thereof.

24. (*currently amended*) A tablet according to Claim ~~18~~ 17, wherein the coating further comprises an acid having a melting temperature of at least 40°C.
